HOME

Architect, Residential

Jack Arnold, an expert in European residential design, creates sophisticated and beautiful homes for his clients. **Brian Freese** of Freese Architecture combines beauty, utility and sustainability to create one-of-a-kind residences for his varied clientele. **John Duvall** of Duvall Atelier mixes architecture and interior design to fulfill his clients' visions. With nods to Old World European designs, **Michael Dankbar** cultivates unique, breathtaking homes.

OKC voters trust **Rand Elliott** of Rand Elliott Architects for design, lighting, master planning and architectural design. **Bruce Bockus** at Bockus Payne Architecture focuses on superior service and design that reaps many return clients. **Fitzsimmons Architects** combines beauty and functionality for stunning residential and commercial projects.

Architect, Commercial Firm

The varied portfolio of **KKT Architects, Inc.** includes the Vast Bank offices and the Children's Center Rehabilitation Hospital; the team excels in interior design, structural engineering and more. Native American-owned **TriArch Architecture** expertly tackles an array of projects, from schools and churches to nonprofits. The work of **MATRIX Architects, Engineers, Planners, Inc.** populates the Tulsa skyline – from the BOK Center to city hall; the staff handles architectural and interior design as well as structural engineering.

In OKC, **GH2 Architects** succeeds in its customized design solutions, multi-faceted staff and flexible approach. The talented team at **Butzer Architects and Urbanism** has created some of OKC's crown jewels, including portions of Scissortail Park and the Oklahoma City Memorial. Veteran-owned **Prime Architects** delivers superior outcomes with flexible project design.

staff and tempting deals. **Nations Kitchen and Bath** is another top choice for bathroom design and trusted, premier inventory.

OKC voters support **Architectural Hardware Designs** for a quality catalog of products and knowledge on the latest trends.

Cabinetry

From design to installation to finishing, Tulsans trust **Sullivan's Custom Cabinetry** for their cabinet needs. **Jay Rambo Co.** offers cabinets for every room of the home, with designs to fit any lifestyle and product experts to help. With a client-focused approach, **Mill Creek Lumber** offers only top-of-the-line product and finishes.

OKC residents visit **Wilshire Cabinet + Co.** for excellent value, the latest technology and a wide array of styles. The experts at **Lowe's** can help you find the cabinets you're looking for, and **Suburban Cabinet Shop** has been cultivating quality custom cabinets since 1959.

Designer Home Furnishings

SR Hughes focuses on inspiring design and livable luxury with a variety of thoughtful selections. **Richard Neel Interiors** offers an expert staff and new, antique and vintage home furnishings. **Fifteenth & Home** excels in contemporary design offerings that balances quality and value.

In OKC, **Boxcar Revival** offers breathtaking boxcar wood pieces, from bars to shelving and seating. **Mister Robert Fine Furniture & Design** has shared a passion for impeccable design and fine furnishings for more than 50 years. A vast inventory and quality products make **Heenan's Home Furnishings** another top pick.
