Architect, Residential

Jack Arnold curates sophisticated style for modern living, touting numerous custom projects, interior design prowess and cabinetry services. **Brian Freese** of **Freese Architecture** has over three decades of experience in the industry, with a specialized focus in energy efficient and environmentally sustainable design techniques. **John Duvall** of **Duvall Atelier** designs with a keen eye towards scale and proportion, creating beautiful and timeless spaces for his clients. **Jeremy Perkins** at **Perkins Architecture** works diligently to make dreams into reality and is known for his approachable demeanor. **Jason Gibson** at **Align Design Group** offers expertise in architecture, engineering and construction management with a love for the details.

OKC voters enjoy the work of **Hans E.**

Butzer at **Butzer Architects and Urbanism**, who creates unique spaces through his engagement with the surrounding landscape. **Bruce Bockus**, founder of **Bockus Payne Architecture**, created his business with a focus on two principles: superior service and design. At **Fitzsimmons Architects**, the crew can handle everything from budget estimating to zoning applications, interiors and lighting design.

Architect, Commercial Firm

Tulsa's **KKT Architects, Inc.** thrives on four core values: character, creativity, community and collaboration, and the company has completed projects including the Vast Bank Building, the Melton Truck Line headquarters and the Saint Francis Cancer Center expansion. The skilled staff at **MATRIX Architects, Engineers, Planners, Inc.** carries out projects in the commercial, education, industrial, wellness, housing and public sectors, among others. Known for purpose-driven projects, **TriArch Architecture** has created schools, churches, residences and non-profit headquarters since 2004.

In OKC, **Rand Elliott** at **Rand Elliott Architects** oversees a variety of commercial projects, including the new Oklahoma Contemporary Arts Center and the beloved RiverSport Adventures. **Butzer Architects and Urbanism** has tackled both construction and urbanism projects including the

OU Design Center, the Skydance Bridge and the Oklahoma City Memorial. From architecture and engineering to master planning and building, **Prime Architects** can accomplish any commercial project with organization and ease. **GH2 Architects** has completed more than 3,500 projects in 48 states, in realms including education, hospitality, public safety and healthcare.

Bathroom Fixtures

At **Heatwave Supply and Showroom**, clients can find anything they need for a bathroom remodel: faucets, sinks, bathtubs, vanities and toilets, accompanied by a knowledgeable staff to help. Tulsa and OKC alike enjoys **Ferguson Bath, Kitchen and Lighting Gallery**, which provides a wide selection of brands, one-on-one consultations and top quality products. Tulsa's **Nations Kitchen and Bath** is a one-stop-shop for bathroom design assistance and premier inventory.

In OKC, **Expressions Home Gallery** earns top marks for helping clients find the exact products to complete their design visions, from faucets and accessories to tubs, shower systems and lighting bars. With a trained and friendly staff, **Architectural Hardware Designs** can provide all the accessories and hardware you need for your next project.

Cabinetry

With countless woods, finishes and door styles, **Jay Rambo Co.** is the perfect spot to visit for any cabinet project, with an expert staff of 50 and 80,000 square feet of selections. Founded in 1980, **Sullivan's Custom Cabinetry** has grown to now employ over 35 talented designers, professionals and craftsmen who can make any design dream
