Architect, Residential

Touting sophisticated styles for modern living, **Jack Arnold** of **Jack Arnold Companies** creates elegant, one-of-a-kind homes with a focus on stability, comfort and grace. **Brian Freese** of **Freese Architecture** offers over three decades of experience in unique, custom, single-family and multi-family residences, emphasizing beauty, utility, sustainability and honesty in every project. For **John Duvall** of **Duvall Atelier**, each project begins with a client conversation to ensure maximum satisfaction; he then creates with focus on scale and proportion, creating timeless, comfortable spaces.

Operating with superior service and design, **Bruce Bockus** of **Bockus Payne Architecture** founded his OKC firm in 1987 and has amassed an impressive portfolio during his more than 30 years in the busi-

ness. **Hans E. Butzer** of **Butzer Architects and Urbanism** leads a multi-disciplinary crew that explores place-making through award-winning architecture and urban design. The team at **Fitzsimmons Architects** offers everything from consultations to space planning, concept design, construction, interiors and landscape design.

Architect, Commercial Firm

Recently named a 2023 Top 100 Rising Giants by *Interior Design Magazine*, **KKT Architects, Inc.** offers solutions in architecture, design, engineering, adaptive reuse and master planning; recent projects include the OSU Central Market and the new law offices of Crowe & Dunlevy. Combining humanity and pragmatism, the team at **JCJ Architecture** excels in creative problem solving, with

projects in a variety of realms including arts and culture, gaming and higher education. With the end goal of helping its clients impact others in a positive way, **TriArch** is a Native American-owned firm that works in the tribal, educational, religious, residential, wellness and commercial sectors. **Inventure Design** describes its staff as inquisitive and inventive; the team never takes a one-size-fits-all approach to projects and offers services including master planning, project management and market analysis.

In OKC, **Rand Elliott** of **Rand Elliott Architects** is inspired by place, purpose and poetics, offering architectural design, space planning, lighting design and more. With award-winning projects like the OKC Memorial and upcoming projects like the Clara Luper Sit-In Plaza, **Butzer Architects and Urbanism** has made a definitive mark on the OKC community. Offering everything from architecture and engineering to programming and master planning, **Prime Architects** believes collaboration is the key to success.
